GOAL

An ACTS retreat strives to achieve the directives of Vatican II and the goals of the Revised Code of Canon Law of 1983 to place more emphasis on “Community and Pastoral Care” within a parish; that the participants experience God’s love and joy throughout the weekend, and return to their parishes with a deeper love for each other and a desire to become more involved in the parish faith and community.

Please note that all denominations are welcomed.

PURPOSE

The purpose of an ACTS weekend is to provide an opportunity for participants to develop a deeper relationship with the Lord and fellow parishioners through **ADORATION** and daily prayer; through **COMMUNITY** in one’s parish as a member of the Body of Christ; through **THEOLOGY** or the teaching of our Catholic faith by encouraging more study; and, to instill a virtue of **SERVICE** to our Lord, our parish and each other.

MESSAGE OF ACTS

ACTS is an acronym for Adoration, Community, Theology and Service. It is these four themes that are the focus of activities during the weekend.

ACTS is inspired by the ACTS
of the Apostles 2:42-47

“They devoted themselves to the teaching of the apostles and to the communal life, to the breaking of the bread and to prayer. Awe came upon everyone and many wonders and signs were done through the apostles.

All who believed were together and had all things in common: they would sell their property and possessions and divide them among all according to each one’s need. Every day they devoted themselves to meeting together in the temple area and to breaking bread in their homes. They ate their meals in exultation and sincerity of heart, praising God and enjoying favor with all the people. And every day the Lord added to their number those who were being saved.”
