| ~Small box of Macaroni and Cheese | ~Frosting for cake     |

**\$20.00 H.E.B. Gift Card – NO refillable gift cards, please**

During this Holiday Season we give special thanks to God for all the many blessings He has bestowed on us. Our parish St. Vincent de Paul Conference is asking that you help provide a Thanksgiving meal to families in need.

Last year over 663 bags were picked up and 516 filled bags were returned and distributed to members of our parish and other needy families in the Helotes area. If enough bags are received this year we can also help Holy Rosary Parish and Our Lady of Guadalupe Parish downtown.

A shopping list of suggested items is listed above. We ask that you put all items into **ONE bag**. In place of asking you to purchase fresh meat and vegetables, we ask that you purchase a \$20.00 H.E.B. gift card (non-refillable) so that the families may select the type of meat and vegetables they prefer.

***This gift card is the most important item in the bag!***

***Thanksgiving Food Bags will be available for pick-up  
November 6-7 or November 13-14 after each Mass.***

**Please tape the \$20.00 gift card to the cake mix box and put it in the bottom of the bag.**

**The filled Thanksgiving Food Bag is NOT COMPLETE without the gift card.**

**Return your filled Thanksgiving Food Bag to Church on either the weekend  
of November 13-14 or November 20-21.**

We will be available to accept your filled bag before and after each Mass on these weekends. *If it is raining, please put your paper bag in a plastic bag.*

**We thank you for opening your hearts to the people of our community who are in need.  
May the Lord bless each and every one of you!**

If you have any questions you may call Pat at 972-948-3532 or Norma at 210-387-5881

***~The Thanksgiving Food Bags were donated by H.E.B.  
Many thanks for their contribution~***
